b6 -3
b7C -3**Did you suffer any personal losses (financially or physically) due to the crime?**

Yes , The Chidren were taken to Paragold Arkansas, near Missouri , which is a 6 and a half hour drive to visit them to make sure that they were alive and okay. The oldest child was vomiting.

How long has this activity been going on?

Since 5/13/2021

Synopsis

b7E -3

2/6

FBI(21-cv-4536)-1100

Two young children were unnecessarily swiped from their mother and grandmother , who own a home in Texas , because their mother attended a 7 day hospital program in Searcy Arkansas. Their was NO discussion of kinship or returning the children home and the rights of the children and their family were violated. Upon further investigation it seems that this IS the standard corrupt protocol in CSB cases in Arkansas , so that the money starts flowing as soon as a child is snatched from his or her family without a valid reason, not that a " Possible Potential problem could occur???" . The child were NEVER harmed in any way, and had happily resided in Texas and attended school there. The childrens mother was released to attend the hearing because she had completed it and was healthy. I guess Arkansas is going to snatch up every child whose parent or parents have depression due to stress and covid??????
