undermining traditional US military channels of authority and working with Trump and representing himself as having more authority than he actually has. These individuals pose a national security threat, and are behind and working with organizers of 911. I have made several reports dating back to 1996 when Trump, family, and world leaders were planning these attacks. Several people that i have been able to identify are Pakistan intelligence, Iranian leadership, and Israeli intelligence and leadership. After the attacks of 911 these individuals are still at large and continued to harass and attack me in relation to gathering information on the status of any investigation against them. Yet here now, in 2020 one of them is President of the US and it worries me that the current FBI has done nothing. I also wonder if they were successful erasing evidence under Mueller and other corrupt FBI Leadership at the time that added an obstruction of justice. The rape I suffered from Trump himself started in 1983-1989 time frame, Trump and Epstein and ped ring, engaged in a series of rape attacks when I was very young. At this time I also reported it to the authorities in the Chicago jurisdiction.

Violation Questions

What type of attack are you reporting?

weapon of mass destruction that was stolen by unknown terrorists

What makes you believe the attack will occur? How do you know the attack will occur?

plans on using it at any time.

Is the attack being organized by a group or individual? Are there any known associates?

al qaida American cell located in the state of Texas, known to you as Klanland AQ Cannibal Group

Does this person or group have access to firearms, explosives, or any other chemical? If so, what weapons are involved?

Many, many other types of weapons throughout the club

Do you know the plan of attack(when, where, has there been any rehearsals of the attack)?

not determined as of yet, plans on using once a fission container has been stolen or bought

Synopsis

This group, as presumed, is part of an ongoing effort to use a WMD, and a chemical WMD if gotten. I am writing as a person who has knowledge due to status in your files listed as [REDACTED]

[REDACTED] This is me. I am being held basically without demand due to their cloning, duplicating all devices and phone numbers as you have suspected for some time. The fusion container is near me at all times. It is located, if you do a Doplar Scan as you have before, you will spot it. Do that scan near my known address. Use Patriot Act on my name, and the words Final Solution and you will strike gold so to speak. Help me, and I will help you thousandsfold. If you are able to penetrate an existing wall they have surrounded around my cellular phone tower by a method I know to you as [REDACTED] and are able to get through that wall very carefully, as they have monitors of who penetrates and who is trying to, access all emails, primarily the newer ones and you will see more information there. If not, use hard line and cellular tower traffic for my phone number to see the terrorist activity occurring in my in country location. Save my life and I will save your lives. I have the cure to COVID-19 as the United Nations charter states I would have. Check that charter carefully. Terrorists are trying daily to delete my name and anything involving me from that charter. I can save millions if not more due to who I am, which read that file with CIA, Homeland and yourselves and you will see what I am talking about. All access to me is limited. I am typing this from a public area which is under surveillance by AQ right now. More information when I can get away and if I am alive at another time. Please help me. I beg of you for your help. Have stolen a Glock 9mm which I reported to the FBI two weeks ago, but unsure if any of my reports are getting through to you. see below.

Synopsis

I don't know how corruption works but surely there is oversight of some sort..I am hoping that's you.

I was in the airforce as an Arabic linguist with a top security clearance. I am no longer in but everyone I worked with has now progressed into the NSA b7E -14

That being said I began noticing very suspicious activity ranging from my Webcam light being on when my laptop was off...to post being made on social media that I didn't make.

b7E -3

The list is endless and I truly need your help....I feel the other citizens of our country also need it. I have already sent the same info to wikileaks in hopes one of the two of you will have the patriotic duty you swore to or the social justice they live by.

I am more than willing to send mail you my phone and iPad for inspection.

Please help.

I can name the names of a dozen who I believe are in Al fed.
I can also provide the name of one Texas state police man who taps phones etc at work as a drug something....his daughter is with my ex wife.

Like I said...I'm banking on your patriotic duty to reign in torture worse than George Floyd.

I'll go to the news outlets next and tell them I reached out to you. This isn't a farce. Please help

I am staying at a house where she is my sister. I am being forced to live somewhere with someone elses identity and the woman who has had part in attempting to murder me. I have asked for help from fellow US Marshalls and the response I get is we will be there to get you. No one has attempted to show to the home I am staying at and get me out of traffic. Synopsis

I rented a room in a house on [REDACTED] The house belongs to one [REDACTED] He placed the housing Ad for a month-to-month rental I guess on craigslist. When I came to see the place, he told me that I could live there as long as I wish unless there are some kinds of emergency. I took the place with the intention of staying here for at least two to 6 months, I now realize that I am being gassed pretty bad by various gaseous substances (illegal drugs, marijuana etc.). Since [REDACTED]

[REDACTED] (July 2 19 [REDACTED] Co. 211) I am having problems due to gas in every single rental residence after few days of moving in. This must be rectified because I am not able to rectify the same with the home owners, neighbors or residents. There may be citizens of other nations present at this residence or involved in causing physical, mental and social harm. Therefore, its best to involve the intelligence officers of those nations too as deemed appropriate so they too get world-class training to catch criminals, send them to cleaners at either mental hospitals or detention centers. These intelligence officers must be subject to all laws of the land without any diplomatic immunity.

Residents [REDACTED] in room next to [REDACTED] turned against me and might have reported to home owner [REDACTED]. The home owner [REDACTED] served me a termination of tenancy notice in just one and half month since I moved here (May 14 2020) listening to somebody in the area. Who he listened to or got paid must be investigated too.

It appears to me that [REDACTED] might have sided with them. She is terribly mentally diseased, a lunatic/psychopath and sent me text message on my phone [REDACTED] that she cries every day and is suicidal. She spoke about suicide even before Evergreen Public library too (Aborn road+Kettman). She needs urgent mental health treatment besides [REDACTED]
