Violation Questions

Is your information related to national security or economic espionage?

YEs

Do you know what information was stolen? If so, how do you know?

Copyrighted 2019 decryptions of the Camel Club Letter, 9/11 letters & SAD manuscript

How, why, and from whom was the information stolen?

Hacker

Does the subject work for the government agency, university, or business where the information was stolen from? If so, what is their title/position?

Yes

Was the subject hired to steal the information for a foreign entity?

YEs

Synopsis

It seems like Mexican Nationals, Native American-Puerto Ricans working with airport employees of BPI, MLS, and AVIS, have continued to hack me & are going around presenting the Camel Club

Letter & 9/11 Letters that I decrypted. The Camel Club Letter I partly decrypted at home, I may have looked up one word verse at work.

These people are mostly foreign nationals, however some are US Naval agents working for [REDACTED] and his set of companies linked to Columbian-MExican individuals faking to be Argentine working with [REDACTED]

These people do not have rights to any of the work and [REDACTED] works with [REDACTED] [REDACTED] had been reported for hosting parties welcoming the Dancing Israelis and Israel Art Mailers with [REDACTED] and [REDACTED] and [REDACTED] prior to 9.11. The Israelis were reported for stealing US Naval badges used to break into military installations to steal explosives. The arrest records of the Israelis evidence these facts.

The Camel Club Letter is what [REDACTED] & her staff have been going around giving presentations of, it does seem realistically possible that [REDACTED] & her USNAval Staffers/family were the mailers for both the 9/11 letters and the Camel Club Letters, since other US Naval agents were already arrested for badging etc. The interest in the 9/11 letters would be strong from the mailer. [REDACTED] was reported for working with Mossad heads [REDACTED] [REDACTED] etc.

Be advised the mailers of both the 9/11 & the Camel Club Letters are Israeli IDF Mossad.

[REDACTED] who works with [REDACTED] is likewise involved with [REDACTED] [REDACTED] arrest at Trenton NJ) and linked to [REDACTED] (Glendale Zimbabwe trips in 2000).

Agent"

"Give us our password"

"We know you gave [redacted]

"This goes back to Obama"

"We are in 'Rat hole' "

Legalhotwater.com

This is to provide additional information regarding the report I provided a few months ago.* In approximately July of 2017 I went to the Dentist, got a prescription at a CVS Pharmacy. I don't remember the prescription number but remember it ended in 666. Approximately around this time is when I noticed an escalation in this [redacted] (as indicated in previous tips) I have video surveillance of unauthorized people entering my apartment and my camera was looped.

Accusations of crimes without not limited to being read a Miranda or having my 6th and 5th Amendment rights provided.

My Dr. Didn't believe me when I tried to report it to him. He labled it as "Psychosis"

Five Chinese Military Hackers Charged with Cyber Espionage Against U.S.

Marking the first time criminal charges have been filed against known state actors for hacking, five men were indicted for offenses directed at the U.S. nuclear power, metals, and solar products industries.

Aliases:

b6 -4
b7C -4

Details:

On May 1, 2014, a grand jury in the Western District of Pennsylvania indicted five members of the People's Liberation Army (PLA) of the People's Republic of China (PRC) for 31 criminal counts, including: conspiring to commit computer fraud; accessing a computer without authorization for the purpose of commercial advantage and private financial gain; damaging computers through the transmission of code and commands; aggravated identity theft; economic espionage; and theft of trade secrets.

The subjects, including b6 -4
b7C -4

 at some point during the investigation. The activities executed by each of these individuals allegedly involved in the conspiracy varied according to his specialties. Each provided his individual expertise to an alleged conspiracy to penetrate the computer networks of six American companies while those companies were engaged in negotiations or joint ventures or were pursuing legal action with, or against, state-owned enterprises in China. They then used their illegal access to allegedly steal proprietary

Synopsis

Robert Philip Hanssen (born April 18, 1944) is a former American Federal Bureau of Investigation (FBI) agent who spied for Soviet and Russian intelligence services against the United States from 1979 to 2001. His espionage was described by the Department of Justice as "possibly the worst intelligence disaster in U.S. history."^[3] He is currently serving 15 consecutive life sentences at ADX Florence, a federal supermax prison near Florence, Colorado.
